Heard.

The petition is filed by the petitioner alleging that his wedded wife Smt. Teeja is in illegal custody of Deda Ram and Sajan Ram. Smt. Teeja has appeared in the Court. We asked her questions. She is straightforward and has stood by the affidavit filed by her whereby, she has submitted that it is not possible to live with Uda Ram because it is not possible for a woman to live with woman. She alleges that Uda Ram is not a man. He lacks manhood. In view of the fact that Smt. Teeja on her volition is not willing to live with Uda Ram, this petition is meritless and is hereby dismissed.
